

DESERT VAGABONDS – NORTHERN NEVADA
April 2008 to December 2008

The Desert Vagabonds Chapter was started in 1992. We currently have 21 member rigs, with the maximum number we can have set at 30 rigs. We schedule camp-outs each month from March thru October. November is a “dark” month when we have no function scheduled. We have a Christmas Lunch in December and then meet at a restaurant in January & February. – We hold meetings at a local restaurant and have a meeting and enjoy visiting.

At our camp-outs we play a variety of games and have a lot of good fellowship. We usually have a hors d’oeuvres evening, a Chapter meeting and a pot luck dinner at each camp-out. We also sometimes go out to breakfast or lunch if we are close to a restaurant.
