

Chapter Challenge and Table Decoration Contest

The **chapter challenge** will be a rib cook-off affair whereby each chapter which wishes to participate would make their ribs and the state will provide coleslaw, rolls, ice tea or water. The package cost will be \$5 which will be donated to state charities.

We also plan to have a **table decoration contest** to be held the evening of the state dinner. Chapters which wish to participate will be assigned one/two tables to decorate in our rally theme of "Honoring our Military." Chapters will decorate their tables during the day of the state dinner and dismantle decorations after dinner in order that tables may be used for game functions the next day. Ribbons will be awarded for first, second, and third place. This event will replace the rig decoration contest.
