

First Timer Incentive Program

In an effort to try and regain interest in attending a Rally, I feel a little incentive may be in order. I'm going to give this program a try for our 2017 fall rally in Winnemucca. If it gives us some gains we may want to try it again for the Spring Rally. The basic tenants are as follow:

- A first timer for this program will be defined as any person who has not attended a Nevada Good Sam Rally within the last three (3) years and who is not a current chapter member registered to attend the 2017 Winnemucca fall rally.
- The first timer will be given a 25 percent discount off the \$65 registration fee on the 2017 fall rally in Winnemucca and will be given an additional 25 per cent discount if they attend another Nevada Good Sam rally within one year.
- When you complete your fall registration form, just indicate that you are a first timer attendee and send a check for \$48.75. Then, if you attend another Nevada Good Sam rally within one year an additional 25 percent will be applied off your registration fee.
- As an added bonus any current chapter member who brings a first timer attendee that meets the definition in paragraph one, will be given a one time 15 percent discount off the \$65 registration fee for the 2017 fall rally. Just indicate on your registration form that you are bringing a first timer, indicate their name and the fact that they have registered and paid, to the best of your knowledge. Send your registration form in with your check for \$55.25.
